RAINY RIVER LOCATION...

As the nation's sixth largest lake, Lake of the Woods is the Walleye Capital of the World. Catching fish here is easy year round because we take care of everything: accommodations, meals, licenses, rods and reels, bait, tackle, fish cleaning and our guides will put you on the fish (and tell good stories too)! All you have to do is show up and enjoy legendary fishing.

When you're here hauling in Walleye after Walleye, you'll see quickly why this is the The Walleye Capital of the World. There are also plenty of saugers, northern pike and lake sturgeon depending on what time of year you choose to visit.

You'll find a reason to stay at Sportsman's Lodge, whether you're looking for fine dining, relaxation, nightlife or a friendly atmosphere.

"We had a great time. Your company has wonderful employees that care about giving good service, from the breakfast waitresses to the dinner waitresses, the bombardier drivers/fish cleaners and the front desk staff, everyone is tops! I can't remember the lady's name that helped me check out on Tuesday night, she was so nice and personable. Our dinner bill hadn't come through yet and she went and found it and was able to tally the total so I could check out. Angela on the breakfast team is always smiling, what a gem! And of course you are so accommodating and easy to work with, I don't think of going anywhere else for our trips up to LOTW. We loved the new villas too, very nice accommodations, loved the warm concrete floors. We look forward to another trip soon.

Thanks,

—Jay Miller, Marshall Concrete Products, Inc.
